VANTRED Floor Mat

With its custom foam backing the VanTred provides a rugged work surface. Not only will it protect your van, it will provide impact and cargo protection and act as a heat and noise insulator. Your cargo won¬?t slide around and the tough material stands up to water (it won¬?t mold or mildew) stains and even harsh chemicals.

Die cut to fit your specific make and model, this cargo mat looks great and fits like a glove, creating a void-free surface without damaging your van. Just clean it with a hose, power washer or vacuum and your VanTred is good as new.
