MOUNT KIT - ALUMINUM FULL LENGTH RAIL - SPRINTER, PROMASTER, TRANSIT, NV

Part # : 40918

Mount Kit - Full Length Rail - Transit, ProMaster, Sprinter, NV

This mount kit has a full length rail that allows for more flexibility in rack placement and stronger support of roof rack loads.

Features:

- Extruded aluminum provides high strength and low weight to the mounting rail
- Fits multiple vehicles: Transit, ProMaster, Sprinter, and NV
- Allows for more adjustability in rack placements
- Works with Drop Down, Clamp & Lock, and Crossbar Racks.

Vehicle Fit:

Mercedes Sprinter
Ford Transit
Nissan NV
Ram ProMaster
