

HOOK - SHELF LIP - PAIR

Part # : 40052

Hook - Shelf Lip - Pair

Set of two moveable hooks that hang from the front of Holman shelf lips. They can be used to temporarily store ladders or other cargo on the interior of a van.

Features and Benefits:

- Hangs from the front of Holman shelf lips.
- Hook extends 6-1/2" from shelf lip and is 2-7/8" wide.
- Made of 10 Ga steel with a rubberized coating for extra durability and strength.
- Large enough to carry step ladders.
- Can be moved on and off the shelf lip to temporarily store cargo when aisle space or access to the shelf is necessary.
