- 12908 - Window Guard for Standard Pro, Standard Pro II, and Pro IV Racks

THE PRO RACK DIFFERENCE

Serious tradesmen use substantial tools. Holman racks are the top choice because they work hard and look great!

New Features

- Optional forklift loadable side rails to allow for safer and more efficient loading of the rack.
- Swing-out rear crossbar designed to ease the loading process
- More fitment options to fit every truck configuration including short bed and crew cab applications
- Adjustable front leg mounting to fit more vehicle applications with a single rack
- Improved foot mounting that reduces horizontal deflection and creates a stronger rack
- Easy entry grab handles mounted low on the rear for added support
- Wind deflector now included as standard
