NOT COMPATIBLE WITH PRO II MODELS.

### Vehicle Fit

8' Service Bodies
-------------------

### Compatible Items:

- 70070 - Window Guard for Pro Service Body Racks - Black

# THE PRO RACK DIFFERENCE

Serious tradesmen use substantial tools. Holman racks are the top choice because they work hard and look great!

## New Features

- Optional forklift loadable side rails to allow for safer and more efficient loading of the rack.
- Swing-out rear crossbar designed to ease the loading process
- More fitment options to fit every truck configuration including short bed and crew cab applications
- Adjustable front leg mounting to fit more vehicle applications with a single rack
- Improved foot mounting that reduces horizontal deflection and creates a stronger rack
- Easy entry grab handles mounted low on the rear for added support
- Wind deflector now included as standard
