

## FORD TRANSIT 148" WB EXT FLOORING W/O MOUNTING TRACKS

---

**Part # : 40476TE**

### Ford Transit 148" WB EXT Flooring w/o Mounting Tracks

This flooring consists of 3-4 composite pieces connected by aluminum extrusion. 40476XX series floors do not have mounting tracks to allow for a flat cargo area. Shelves and accessories can be mounted by drilling through the floor and installing plus nuts into the OEM van floor. Installation of the rigid flooring allows for a flat smooth surface in the cargo area of the van.

**\*Threshold Required: 40477T\***

#### Features:

- 10mm HolyPan composite flooring is impact resistant, non-slip, strong, and lightweight.
- Installation is quick and easy.
- No drilling required.
