THE PRO RACK

FORKLIFT LOADABLE

STANDARD PRO RACK

PRODUCT DESCRIPTION:

The Pro Rack is a new line of heavy-duty racks for full-size work trucks, service bodies, and platform bodies. It is an evolution of Holman's Pro II racks, containing enhancements in several key areas while maintaining the strength, durability, and versatility our customers know and love.

NEW FEATURES:

- A** Optional forklift loadable side rails to allow for safer and more efficient loading of the rack
- B** Swing-out rear crossbar designed to ease the loading process
- C** More fitment options to fit every truck configuration including short bed and crew cab applications
- D** Adjustable front leg mounting to fit more vehicle applications with a single rack
- E** Improved foot mounting that reduces horizontal deflection and creates a stronger rack
- F** Easy entry grab handles mounted low on the rear for added support
- G** Wind deflector now included as standard

RETURNING FEATURES:

Premium Powder Coat Finish

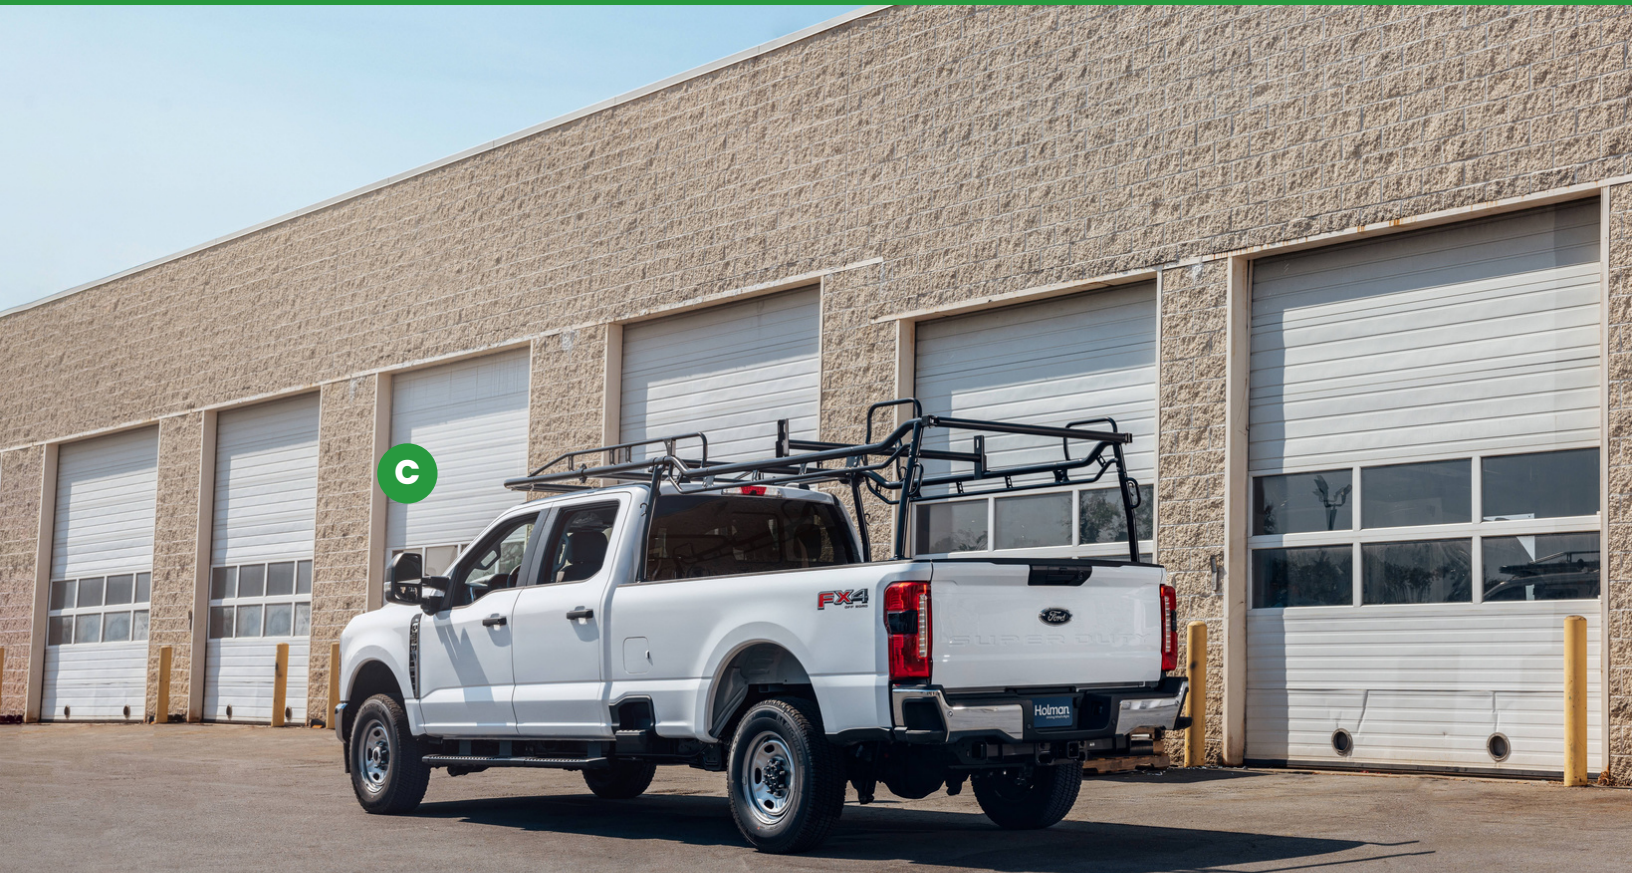

- Zinc epoxy primed for superior corrosion protection
- Polyester marine-grade powder coat specially formulated to resist corrosion and abrasion
- Certified ASTM 1000 hour salt spray testing
- Will not fade or dull

Professional Look

- Sleek "Flying Wedge" design
- Smooth round tube components
- Stylish gloss black

Additional Features

- High-strength rust-proof self-locking fasteners
- Holman Warranty

PRO RACK FITMENT

To create a full Pro Rack for your application you will need to order:

STEP 1: The Leg & Crossbar Kit that fits your vehicle.

STEP 2: The Side Channel Kit that fits your vehicle's body style.

STEP 3: Any accessories you'd like to add onto your rack.

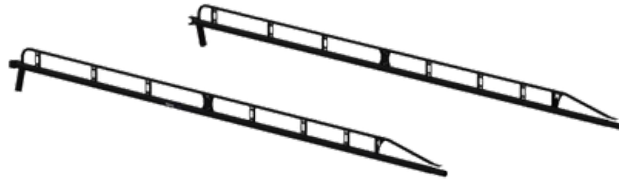

STEP 1: LEG & BAR KITS
