VANTRED Floor Mat

With its custom foam backing the VanTred provides a rugged work surface. Not only will it protect your van, it will provide impact and cargo protection and act as a heat and noise insulator. Your cargo won't slide around and the tough material stands up to water (it won't mold or mildew) stains and even harsh chemicals.

Die cut to fit your specific make and model, this cargo mat looks great and fits like a glove, creating a void-free surface without damaging your van. Just clean it with a hose, power washer or vacuum and your VanTred is good as new.
