

HVAC 46" H SHELVES - METRIS 126" WB

Part # : 4006M

Plenty of storage for tools and parts

HVAC professionals, we've got you covered with this package designed to maximize the capacity of your long wheel base van and accommodate the large amount of tools and parts. Sturdy adjustable shelf units include 2 large lockable storage compartments to secure larger, expensive tools and boxes. 7 heavy duty steel drawers and small part bin module help organize & contain a multitude of smaller tools and parts. All of this is flanked by Holman's Heavy Duty 18 gauge steel bulkhead and a 3 tier refrigerant tank rack.
