FOLDING SHELF UNIT - 48" W X 20" D

Part # : 48486

Folding Shelf Unit - 48” W x 20" D

Holman’s folding shelves are perfect for parcel delivery and other applications that require shelves that can get out of the way. The shelf units have universal fitment in all heights of vans, are lightweight, and easy to install. The shelves are made out of aluminum, and the uprights are steel.

Features and Benefits:

- Comes with two 48” wide x 20” deep folding shelf assembly.
- Shelves are easily positioned up and down to maximize van interior space.
- Perfect for parcel delivery applications.
- Shelving is made out of lightweight and strong aluminum with HolyPan composite base while the uprights are powder coat finished steel for extra rigidity.
- Built in EDPM foam liner keeps cargo from sliding.
- Each shelf is rated to carry 150 lbs.
- **When placed side-by-side the folding shelves can share the upright between them. Order single uprights and shelves a la carte via PNs 48007, 48367, 48487, and 48607.**

Please note: *Compact vans do not have the height required for two shelves. To upfit these vehicles, build your shelf from individual parts. (i.e. one shelf and two legs.) Vehicles include Metris, Transit Connect, ProMaster City or NV200 vans. (PNs 48007, 48367, 48487, and 48607).*
