THE PRO RACK WINDOW GUARD (USE WITH 12004 OR 70020) - BLACK

Part # : 70070

Window Guard for Pro II - Service Body Racks

Protects rear cab window. Fits PRO II Racks utilizing the 70020 Legs & Bars only.

Made from reinforced 16 gauge rolled steel. Will not work with camper shell applications. Fits PRO II for full size trucks only. This item protects rear cab window and prevents the truck bed from spreading apart under heavy loads.

Features:

- Made from reinforced 16 gauge rolled steel
- Black painted finish
- Holman Warranty
