

DOUBLE LADDER EXTENSION HOOKS - STEEL DROP DOWN RACKS

Part # : 40814

Double Ladder Extension Hooks - Steel Drop Down Racks

Set of two ladder hooks and end stops to allow for the carrying of two ladders on one steel drop down rack. It is rated for 90 lb total.

Features and Benefits:

- Can carry up to two ladders weighing a total of 90 lb and 14 inches tall when stacked flat.
- Replaces standard ladder hooks and end stops that come with the rack.
- Increases rack height by 7".
