Image is approximation of actual screen.

Window Screen - Rear Door - Metris (Set of 2)

Security window screens add another layer of security to protect your valuables. Window screens are coated with a black powder coat finish. These window screens are easy to assemble and come with all the hardware needed to install them.

Features:

- Strong 7 gauge wire frame and grid
- Powder coated no-glare matte gray
- Steel construction

*****Screens will only work on fixed windows, application will not work on windows that open from inside*****
